

We are glad you are considering participating in a short term missions trip.

Below are the requirements for all trips. Each team member is asked to agree to the following:

1. Live under the Lordship of Christ so that your lifestyle gives credibility to your profession of faith.
2. Be a member or regular attendee in good standing at CFC.
3. Fulfill team requirements for training.
4. Raise the necessary prayer and financial support for the trip. Funds not raised by set deadlines must be covered by the individual team member. CFC is not responsible for covering the expenses of a team member.
5. Submit to the direction of the team leader during training and on the field.
6. Seek to be above reproach in his/her actions and attitudes.
7. Make the necessary lifestyle adjustments in order to adapt to the culture of the host community.
8. Refrain from the expression of political opinions while overseas due to the political instability and anti-American sentiment in many countries.
9. Write a follow-up letter of thanks and report to your supporters within 2-3 weeks of your return.

Frequently Asked Questions

Q. How do I pay for the trip? We are so blessed here at CFC to have Senders who partner with our short term participants through prayer and finances. Participants of all trips must personally pay a minimum of 20% with a \$500 cap. Financial deadlines will be provided by CFC at your first team meeting.

Q. What does the support cover? Support covers your travel costs, insurance, food, lodging, visa, ministry expenses, and local ground transportation. Participants are responsible for passport, immunizations, personal needs and souvenirs.

Q. Where do I get a passport? All trips require a passport which can be obtained from the Passport Office located inside any selected post offices. Go to www.us-passport-service-guide.com for application forms and post offices near you.

Q. Will I need any immunizations? Immunizations are needed before entering many countries. For the most up-to-date information regarding your particular trip, visit the CDC website at www.cdc.gov/travel. Also, each trip leader will provide the team with our recommendations concerning immunizations.

Q. Is there a waiver form? Each participant will be required to sign a Release/Waiver Form releasing CFC and it's leadership and local out-of-country leadership from liability.

Q. What training is required? CFC requires and provides training sessions covering fund raising, cultural adaptation, and specific training for the individual trips.
