

## Will Rutt

Will Rutt had it made as a kid! Not only did he have the best middle school youth pastor in the country (Bill Winton), he also was able to go to one of the best retreats known to man: EXTREME EXCURSION! While the retreats were filled with fun, what Will remembers most is how God challenged him to follow Jesus "full throttle." As good as that sounds, by the end of 8th grade Will found that following Jesus "full throttle" wasn't just hard...it was impossible. Since then Will has been learning that Christians have CHRIST IN US not to make the hard easy, but to make the impossible POSSIBLE.

Will loves to hang out with his wife and daughters, bow hunt, play Frisbee, and do anything that makes him sweaty and dirty!
