

Milestones Along the Journey

Celebrating Spiritual Development and Milestones
with Your Child, as They Grow to be
Fully Devoted, Spirit Empowered, Christ Followers

PARENTS,

Please plan to join us, along with your children, in the age group below
for their Milestones Journey. We'll meet during the 11:00 worship hour.
The Milestones Event includes a special time for parents and kids together,
an important age-level insight time just for parents,
and a teaching challenge for your child.

Your days of parenting and influence with your child are limited and fast-paced!
Don't miss every opportunity to teach, challenge and encourage
them in their spiritual journey!
