Loving Who God Loves	
Luke 15	
God loves the WORLD. <i>John 3:16, Luke 19:10</i>	
He loves the people of the world.	

♦ He sees the people as lost. They have a home, but can't find it. They must be sought.

- ♦ Jesus demonstrates HOW to love the lost. *Luke 15:1-10*
 - ◊ You love the lost by <u>engaging with the lost</u>.
 - ♦ He welcomed, ate and talked with them.
 - ◊ You engage them because they matter to God and He lives in you.
 - ◊ You reveal what you love by what you invest in for rescue and celebrate.
- ♦ Jesus confronts LACK OF LOVE for the lost. Luke 15:11-32 ◊ The prodigal son was not lost. This parable exposes

why children of God refuse to engage lost people.

- ♦ Lack of love for the lost is rooted in the belief that I have earned or preserved right standing with the Father.
- ◊ I will love the lost to the degree that I recognize I am an

underserving recipient of God's love.

◊ Grace cannot be <u>contained</u>. The outflow will always match the perceived inflow.
