Application Questions By Faith, Parenting Unafraid Doug Rutt, Pastor-Teacher Hebrews 11:23 September 18, 2016

Open discussion for fun: What is that your parents did or said that you said while growing up "I will never do that when I have kids!" but have ended up repeating?

- 1. What was encouraging or challenging to you from this week's teaching?
- 2. As you look back on our series as a whole, is there a specific truth or challenge that has stuck with you? Is there a specific example you could give when you could joyfully say "I have faith more"?
- 3. What is hard about parenting?
- 4. If you are doing this in a family group setting, it would be an awesome opportunity to affirm how God has uniquely blessed and gifted (made "beautiful" from the text) other people in your group.
- 5. What principles do you think are essential if a parent is going to "protect" but not "over protect"? As you think about your parents, how did you see them parent "in faith" or "in fear"?
- 5. What guarantees, if any, do parents have from the Lord with regard to parenting?
