James: The Truth We Need to Know When Someone Strays

August 3 & 6, 2023

These questions are designed to help you understand how God's Word applies to your life personally.

1. Why is it so hard for us to be bold in pursuing the one who has gone astray and speaking words of warning to them?
2. As we speak to the one who has gone astray, what warnings in scripture do you think they need to hear?
3. What promises in scripture do they need to hear for when they turn and repent?
4. Have you strayed, and the Lord used someone to bring you back? If so, what did you learn about God's mercy and grace through that experience?
5. Is there a close friend or family member who has strayed, and you haven't sought to turn them back to truth? What has kept you from doing so?
6. Have you ever given up praying for someone who has strayed because it seems like nothing has changed? How does this passage impact your thinking?
7. If someone close to you strayed, would you hope someone in the body would prayerfully, privately, relationally, gently, and boldly seek after them with you? Would you be willing to be that person for someone else? Why or why not?
